Hello,

My name is [REDACTED] and I am a ripple investor with 19500 shares to date. I am very excited to invest further in Ripple and believe in your product.

[REDACTED]

I wanted to see if Ripple wanted to see if putting Ripple on a T shirt or Swaddle with Ripple on the twins calling them Ripple babies would be a good fit and an interesting way to advertise on social media.

I am from New England and my wife is from Brazil so our situation really illustrates well one of the qualities of Ripple, a way to send money across the globe.

Please call me or email me if that seems like something you would be interested in. I think it is a great way to put your name out there.

Thank you,

[REDACTED]
